

Part I DEFINITIONS

§ 1.1 The following words and terms, when used in these regulations, shall have the following meaning, unless the context clearly indicates otherwise:

"Adequate immunization" means the immunization requirements prescribed under § 3.1.

"Admit or Admission" means the official enrollment or re-enrollment for attendance at any grade level, whether full-time or part-time, of any student by any school.

"Admitting official" means the school principal or his designated representative if a public school; if a non-public school or child care center, the principal, headmaster or director of the school or center.

"Board" means the State Board of Health.

"Commissioner" means the State Health Commissioner.

"Compliance" means the completion of the immunization requirements prescribed under § 3.1.

"Conditional enrollment" means the enrollment of a student for a period of 90 days contingent upon the student having received at least one dose of each of the required vaccines and the student possessing a plan, from a physician or local health department, for completing his immunization requirements within the ensuing 90 days.

"Documentary proof" means an appropriately completed copy of Form MCH 213B and the temporary certification form for Haemophilus influenzae type b disease where applicable, Form MCH 213C or a computer generated facsimile of Form 213C signed by a physician or his designee or an official of a local health department. The MCH 213C SUPPLEMENT indicating the dates of administration of the required vaccines, shall be acceptable in lieu of recording these dates on Form MCH 213C, as long as the supplement is attached to Form MCH 213C and the remainder of Form MCH 213C has been appropriately completed. For a new student transferring from an out-of-state school, any immunization record, which contains the exact date (month/day/year) of administration of each of the required doses of vaccines when indicated and complies fully with the requirements prescribed under § 3.1 shall be acceptable.

"Immunization" means the administration of a product licensed by the FDA to confer protection against one or more specific pathogens.

"Physician" means any person licensed to practice medicine in any of the 50 states or the District of Columbia.
